Mark—My client has agreed to bring the Cordialsa 30(b)(6) witness or witnesses to New York as well. Let's discuss how to confirm this and form the Magistrate we have resolved the dispute for now.

Best,

Peter

Mark—My client has agreed to bring the 30(b)(6) witness or witnesses for Alimentos to New York in exchange for your agreement to hold off on taking any other Alimentos witnesses until you can determine, after completion of the 30(b)(6) witnesses , if further depositions are necessary.

I am still waiting for word on Cordialsa.

Lets speak in a little while after I get word on Cordialsa to decide how to deal with Magistrate Hammer.

Best,

Peter
